Message from the Principal...

Congratulations to the elected sports house representatives and school council representatives. The children who occupy these positions were elected to fill important leadership roles. All of the new school leaders will be inducted into their roles at Friday’s Assembly. It will be a great start to the Assemblies for 2015.

The children are looking forward to the swimming carnival on Thursday. It is always a pleasure to watch the level of participation of the Nabiac children at sporting events.

Next week there will be parent meetings. This will be a great opportunity for you to catch up with your child’s teacher. The teachers will provide information about how they address different content areas and support all students in their learning.

Attached to this week’s newsletter is information about attendance at school. Regular school attendance supports children in their learning. It is also very important that children arrive to school on time. This year children who arrive late will need to be signed in and a reason provided for lateness. This will also occur for children leaving early.

Have a great week.

Karen Cavanagh
Principal
